## METECO OY RENEWS THE ORGANISATION

Meteco Oy is a Finnish workshop company having the production facilities in Karstula and Kuhmoinen, a sales office in Jyväskylä and a design office in Tampere. We produce high-quality products for the leading machine manufacturers as well as tooling for the aerospace and automotive industries. We employ over 100 professionals. Meteco Oy is quality certified for ISO 9001, ISO 14001, ISO 18001 and EN 3834-2 standards.

Meteco Oy is renewing its organization to act more customer oriented and to improve the service concepts for the customers.

The following appointments, which will take place on 1<sup>st</sup> of January, 2012, will also collaborate company's growing tooling and composite technology business segment:

Mr. Petri Parni, M.Sc. (Tech.), has been appointed as Managing Director (from 28.10.2011).

Mr. Ari Mankki, M.Sc. (Tech.), has been appointed as Sales and Marketing Director.

Mr. Ilkka Salo, B.Sc. (Tech.) has been appointed as Key Customer Director. Mr. Salo is in charge of domestic sales and domestic agreement customers.

Mr. Tero Makkonen, B.Sc. (Tech.), has been appointed as Project Manager. Mr. Makkonen is in charge of tooling and composite manufacturing technology projects. He will move to his new position from Metso Automation Inc.

Mr. Petteri Kiiskinen, M.Sc. (Tech.), has been appointed as Production Director. Mr. Kiiskinen is in charge of production and purchasing processes. He will move to his new position from Pikval Oy, where he held the position of Production Director.

Mr. Risto Kallinen, M.Sc. (Tech.), continues as Technology and Engineering Director. Mr. Kallinen is in charge of tooling and composite manufacturing technology for aerospace and automotive industries.

Mr. Risto Toivanen, M.Sc. (Tech.), continues as Financial Director. Mr. Toivanen is in charge of financial administration and information technology.
